

GURU NANAK DEV ENGINEERING COLLEGE LUDHIANA
(Department of Electronics & Communication Engineering)

No. ECE/138

Date: 12.07.2021

NOTICE

With reference to letter no. AS/81/studysch/735, the students of 3rd year after 6th sem (Batch 2018-2022) shall undergo 4 week training program i.e Training-III (TR-103) from 16.07.2021 to 14.08.2021. The students can choose any one of the following training programs.

1. The students can do this training program through Spoken Tutorial by IIT Bombay, as per study scheme of these batches.

Course Code	Course	Course to be covered (Both are compulsory)	Video Lectures available at
TR 103	Training-III	1. Sci Lab 2. Linux.	https://Spoken-Tutorial.org

2. The students are allowed for the training program on any of the following online platforms related to Electronics and Communication field such as:

- (a) Udemy
- (b) Coursera
- (c) EDX

For training program, the students can choose any of the above platforms. It is mandatory for the students to complete at least 60hrs for any of the above courses and should get certificate for the same.

3. The students can pursue their training program in any organization/industry/institute related to Electronics and communication field. Those students who are going for six months training in 7th semester, have to complete their four weeks training first and then they can continue in the same organization/industry/institute for 6 months training. The students have to submit two certificates separately for four weeks and six months training programs, in the college.

Students also need to fulfill the following conditions:

- (a) Students must seek permission from department T&P coordinators before joining any organization/industry/institute.
- (b) Maximum 6 students can join one organization/industry/institute and priority will be given on merit basis.

- (c) Students can make a project in a group which must not exceed 3 members.
- (d) Students joining the same organization/industry/institute must have different content in training report/file and their projects must not be the same.

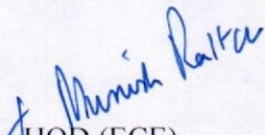

4. In House Training:

The department offers 4 week training program for the students of the GNDEC as well as other colleges. The preference will be given to the students of ECE Deptt, GNDEC. The vacant seats will be offered to the students of other colleges. The fees of Rs 5000/- + Tax will be charged from the outside students.

Name of Training program: Embedded System.

Venue: Microprocessor Lab, Deptt. of ECE, Guru Nanak Dev Engineering College, Ludhiana.

There will be limited seats available for this training program and the priority will be given on the merit basis.
