

IETE STUDENTS' FORUM

(ISF)

INSTITUTION OF ELECTRONICS AND TELECOMMUNICATION ENGINEERS

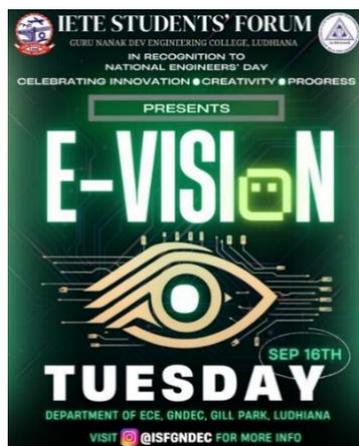

The IETE Students' Forum (ISF) is dedicated to organizing technical events that provide students with a platform to showcase their talents, expand their knowledge, and enhance their technical skills. The forum strives to foster a culture of in-depth learning, innovation, and research among students.

In alignment with this vision, ISF successfully hosted a one-day mega event titled “**E-VISION**” on **16th September 2025**, featuring ten diverse technical competitions. The event was organized to commemorate **National Engineers' Day**. Among these was an engaging technical event titled “**Hack the Hardware**”, designed to **enhance technical skills** and promote hands-on experience using the software **Tinkercad**. The event was successfully coordinated under the guidance of **Mr. Dev Vrat**, along with **Mr. Rajan**, who served as the head of the competition and ensured its smooth execution.

The event was governed by the following rules:

1. All conceptual solutions must be designed and simulated using tinkercad.
2. No physical hardware is needed; tinkercad simulation will serve as digital prototype.
3. Submission must be a link to a tinkercad project.
4. The project's circuit diagram fulfills the requirement for hardware list, and its code block serves as solution logic.
5. Each team will demonstrate tinkercad simulation to judges for 5-7 min.
6. Use of internet is allowed. But in case of plagiarism, team will be disqualified.
7. Final decision will be taken by judges.

IETE STUDENTS' FORUM (ISF)

INSTITUTION OF ELECTRONICS AND TELECOMMUNICATION ENGINEERS

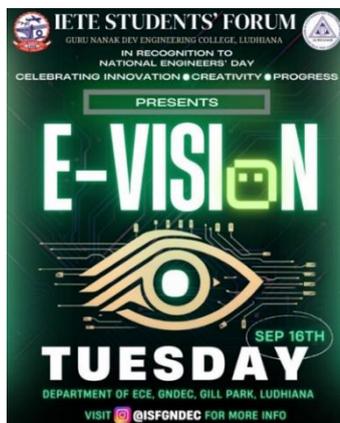

The IETE Students' Forum (ISF) is committed to organizing technical events that provide students with a platform to showcase their talents, expand their knowledge, and enhance their technical skills. The forum strives to foster a culture of in-depth learning, innovation, and research among students.

In alignment with this vision, ISF successfully hosted a one-day mega event titled “**E-VISION**” on **16th September 2025**, featuring ten diverse technical competitions. The event was organized to commemorate **National Engineers' Day**.

Among these was an engaging and creative event titled “**Technical Rangoli Competition**”, designed to showcase the artistic talents of students while reflecting their understanding of technical concepts in a visually appealing manner. The event was successfully coordinated under the guidance of **Ms. Ravneet Kaur**, along with **Ms. Prabh Osahan** and **Ms. Rajveer Kaur**, who served as the head of the competition and ensured its smooth and efficient execution.

The event was governed by the following rules:

1. Team size: team of 2 student can participate in a team.
2. Time limit given is 2 hours.
3. Size of rangoli can be 2'*2' to 4'*4'.
4. Materials to be used: only rangoli colours. Flowers, stencils or other decorative materials are not allowed.
5. Theme will be given on the spot.
6. Mobile phones are not allowed.

IETE STUDENTS' FORUM

(ISF)

INSTITUTION OF ELECTRONICS AND TELECOMMUNICATION ENGINEERS

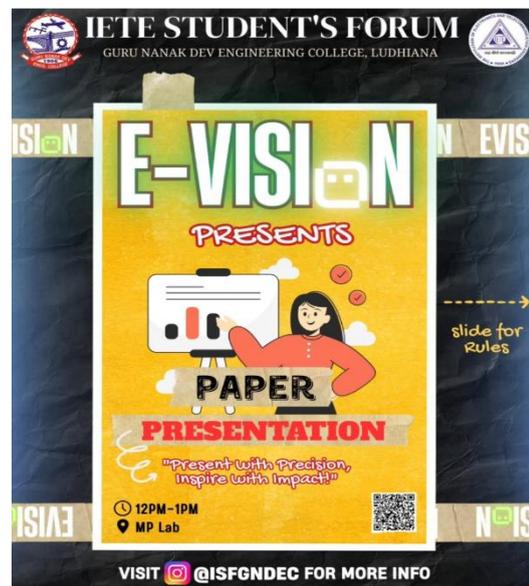

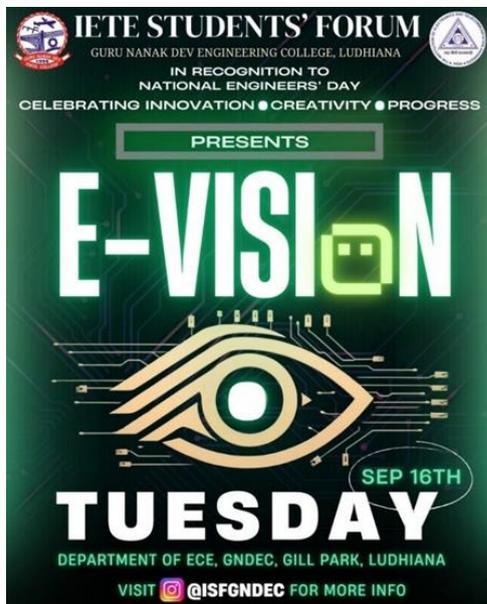

The **Paper Presentation** event was organized as part of **E-Vision**, the technical fest conducted by the **IETE Students' Forum, Guru Nanak Dev Engineering College, Ludhiana on 16th September 2025, Tuesday**. The event was judged by **Dr. Baljeet Kaur** and **Dr. Navneet Kaur**, whose expertise and valuable feedback greatly enriched the experience for all participants.

The event served as a distinguished platform for students to exhibit their research capabilities, analytical thinking, and technical knowledge through well-structured paper presentations. It provides an opportunity for students to explore recent advancements, present solutions to real-world problems, and gain exposure to the world of research and innovation.

The event was governed by the following rules:

1. The participation should be in paper format with a simple and formal layout. Overly creative or decorative designs are not allowed.
2. Each presentation should have 12-15 slides.
3. Each participant should present their presentation in 5-7 minutes.
4. Participants should not exceed 10 minutes.

IETE STUDENTS' FORUM

(ISF)

INSTITUTION OF ELECTRONICS AND TELECOMMUNICATION ENGINEERS

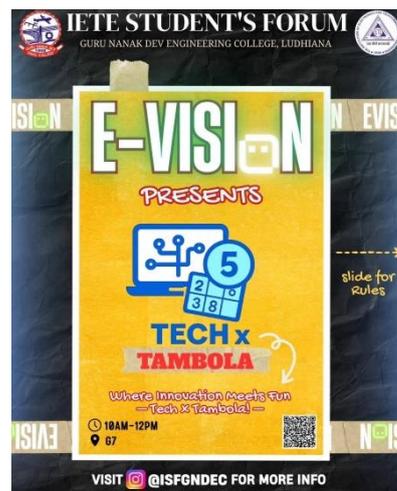

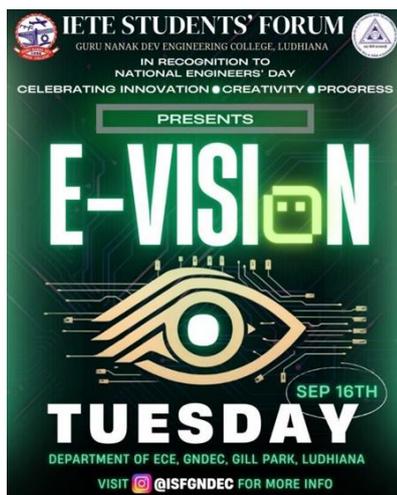

The IETE Students' Forum (ISF) is dedicated to organizing technical events that provide students with a platform to showcase their talents, broaden their knowledge, and enhance their technical skills. The forum strives to foster a culture of in-depth learning, innovation, and research among students.

In alignment with this vision, ISF successfully hosted a one-day mega event titled “**E-VISION**” on 16th September 2025, to commemorate **National Engineers' Day**. The event featured ten diverse technical competitions designed to inspire innovation and technical excellence.

Among these was an engaging **fun-technical event** titled “**TECH X TAMBOLA**”, which encouraged creativity, innovation, and problem-solving skills among participants. The event was effectively coordinated under the guidance of **Mr. Prince**, the head of the competition, who ensured its smooth and successful execution.

The event was governed by the following rules:

1. A participant must call out immediately after completing the ticket.
2. The host will verify the ticket. If wrong claim is rejected.
3. If two or more participants claim at same time, prize may be shared.
4. Use of mobile phones, internet, or external help during the game is strictly prohibited.
5. The host's decision will be final and binding.
