

IETE STUDENTS' FORUM

(ISF)

INSTITUTION OF ELECTRONICS AND TELECOMMUNICATION ENGINEERS

The IETE Students' Forum (ISF) at Guru Nanak Dev Engineering College, Ludhiana, is committed to the holistic development of students by providing a platform to explore and enhance their technical, managerial, and interpersonal skills. Alongside academic growth, ISF continuously engages students in various co-curricular and extra-curricular activities throughout the year.

The IETE Students Forum (ISF) successfully organized a an Expert Talk on Artificial Intelligence Agent to enhance students' understanding of emerging technologies and their real-world applications. The session was conducted by **Mr. Ansh Aneja**, the owner of **Ansh Infotech**, who is an expert in the field of Artificial Intelligence and technology innovation.

During the talk, Mr. Aneja explained the concept of **AI agents**, their working principles, and how they are transforming various industries such as healthcare, finance, education, and customer service. He emphasized the role of intelligent systems in automating tasks, improving efficiency, and supporting human decision-making, which was joined by 96 students.

The expert also discussed the **impact of AI agents** on society, highlighting both opportunities and challenges. He pointed out that while AI has the potential to revolutionize industries and create new job roles, it also calls for responsible usage and ethical considerations.

In addition, Mr. Aneja shared insights into the **future goals of Artificial Intelligence**, including advancements in autonomous systems, human–AI collaboration, and sustainable technological development. He encouraged students to build skills in data science, machine learning, and programming to stay ahead in the rapidly evolving tech world.

The session was highly **informative and interactive**, providing valuable knowledge about the future scope of AI and its practical applications. It inspired students to explore the field of Artificial Intelligence and contribute to innovation and research in this domain.

The Expert Talk was organized under the guidance of:
