Item No. 1: Equivalence case of Mr. Shashi Bhushan Kotwal, M.Tech ECE (Part-Time) student.

Action Taken:

Mr. Shashi Bhushan Kotwal, M.Tech student who migrated to our institute was discussed in BOS meeting. The student had studied the subjects currently being taught to M.Tech ECE students under the PTU scheme. It has a number of subjects with similar titles to these being taught under the GNDEC scheme with syllabus by and large similar. In any case, the student cannot be penalized as the curriculum studied by him is from parent University. Therefore, based on all these factors, it was decided to recommend to academic council that the following subjects may be accepted for award of degree and the balance may be studied out of scheme currently being followed in GNDEC.
