IETE STUDENTS' FORUM (ISF)

IETE Students' Forum (ISF) regularly organizes technical and non-technical events where students are given chance to showcase their talent and knowledge. The prime intent of this ISF is to enhance the students' technical merit and implant the habit of deeper learning and research.

With same vision, ISF organized a Machine Learning Quiz named "BRAIN STROM" on 18th of February, 2021.

The event was organized under the guidance of:

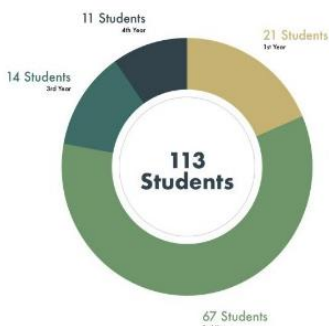

Prof. Shivmanmeet Singh
(Faculty)ECE dept.

Arshad Ali (Convenor)

EVENT DESCRIPTION

Machine learning is a method of data analysis that automates analytical model building. It is a branch of artificial intelligence based on the idea that systems can learn from data, identify patterns and make decisions with minimal human intervention.

We organized an online Quiz based on machine learning which had been easily accessed by the GNDEC students from their home or anywhere. The Quiz contained 20 questions related to machine learning in 20 minutes, which is enjoyed by the students.

About 158 students registered for the event, of which 113 are participated in the Test on the 18th of February. We selected 12 winners, 3 from each year based on correct answers and their response time
