

**GURU NANAK DEV ENGINEERING COLLEGE LUDHIANA**  
**(Department of Electronics & Communication Engineering)**  
**(An Autonomous College under UGC Act.)**

No. ECE/

Date:

**NOTICE**

This is to inform the ECE students of Batch 2014-18 (Section- B) that with reference to letter no. SS/24/CBS/75 dated 02.03.2017, evaluation criteria of 6 months industrial training has been revised. The criteria for distribution of marks and credits for 6 months industrial training is as under:

S. No.	Subject	Credits	Hours per week	Subject code	Marks	Details
1	Six Months Industrial Training	15	-	TREC-14701 (13 Credits)	800	Internal Marks= 450 External Marks= 350 (viva/seminar at college level)
				TREC-14702 (02 Credits)	200	Marks to be awarded based on test conducted after the completion of two weeks workshop

The component with code TREC-14702 will be based on two weeks workshop which will be organized by department of ECE from 18.12.2017 to 29.12.2017. Minimum of 75% attendance of each student is mandatory in the workshop. On completion of the workshop, the workshop coordinator will conduct a common examination, which consists of 100 objective type questions and each question will be of 2 marks with no negative marking. Students must score at least 40% marks to PASS. The marks scored by students will be added in the marks scored in the first component of 6 months industrial training programme and these consolidated marks will be used for generating grade of total 6 months industrial training programme as approved by Academic Council. All students must present in the workshop at 9:00 am sharp on dated 18.12.2017.

HOD (ECE)
